Motivation

The ABCs of Crayons to College and Career letter of the week is M for **Motivation**.

Do you have the desire to succeed? Motivation is the drive that helps you get things done. Get a jumpstart on your work; don't wait until tomorrow to do what you can get done today. You know what they say about the early bird, right? It gets the worm!

“Motivation will almost always beat mere talent” (Norman Ralph Augustine). What are you motivated to do?

“Ability is what you’re capable of. Motivation determines what you do. Attitude determines how well you do it” (Lou Holtz).

“You may never know what results come from your action, but if you do nothing, there will be no result” (Gandhi). Will you do something?

“Do something today that your future self will thank you for.”
