~Administration Note~

Hello Parents/Guardians,

We are in the full swing of 3rd term and hitting the winter blues. We usually see students' grades fall off in third term. To help combat this, we have planned a few activities to motivate students to keep focused on school work.

This Thursday, February 14 we are having a Valentine's Social. Students with no D's or F's, N's or U's will get to choose to go to the library for a movie or to the gym for the social. The student government puts in a lot of work to make these events fun. We hope your students will attend.

At the end of 3rd term we plan a big field trip for qualifying students. We take them to a movie at the Geneva Megaplex Theater. After the movie we will head to Classic Fun Center in Orem. The students will eat lunch and skate, bounce, or play video games. It has been a big success every year and we hope to take more students this year. Students will qualify one of three ways:

1. Make the honor roll.
2. Increase his/her GPA by .5
3. Participate in the #WasatchReads book program.

We are finalizing the details of the program. And will notify students when the book selections are finalized.

If a student wants to go on the field trip, it is possible for them to qualify one of those 3 ways. It will take effort we hope the students will feel the reward is worth the work.
