BOOK IT

Wow! We have some amazing readers in this class! I am so excited to see what they can accomplish in October. Our goal is:

320 minutes. That is equal to 20 minutes, 4 days a week. Easy!!!

Our Buddy class has invited us to make book character pumpkins with them. If you have anything you can donate to the cause we would really appreciate your help!

**WALKING FIELD TRIP**

This Thursday, weather permitting, we are going on a walking field trip around Heber City. This coincides with our Social Studies unit on communities.

We will leave first thing in the morning and walk to various businesses in our town. We will have lunch at the city park and return to school later in the day.

Your child will need to bring a sack lunch and dress appropriately for this activity.

If you would like to join us on this adventure please let me know!
