TIS Mustang’s Monday Memo:

From the Administration:

We want to thank everyone who participated in our reunification drill. We will be emailing out a survey to get your feedback. Please watch for that to come next week. We had about 50% of our parents and students participate in the drill. That means we had over 400 students checked out in about an hour and a half. Thank you for all your support!

You can now sign up for SSP Conferences. Here is the link or go to our school website to sign up for you appointment. www.wasatch.edu/timp. Please call the office if you need help scheduling your appointment.

While you are here during SSP’s please stop by the cafeteria and look through our lost and found. We have a lot of coats, jackets, hats and lunch boxes.

With spring now here, please be aware of the weather and have your student dress accordingly. We plan on students going out for recess most every day.
