**TIS Mustang’s Monday Memo:**

**From the Administration:**

By now I’m sure you have noticed the construction going on 600 south. We have been informed that 600 south will be intermittently closed off as an entrance to TIS. The best alternate road to use is 500 south. Please be patient and be extra careful watching for students while going through the construction. Construction will continue until the end of school.

We have set up a survey for parents to give their feedback on the reunification drill. Please visit our school website to find this link. [www.wasatch.edu/timp](http://www.wasatch.edu/timp). Thank you for your participation and please give us your comments.

Sage testing will begin the last week of April. We will begin with Sage Writing and continue on with Language Art, Science and Math. Please make sure your students are getting enough sleep and come ready to do their best.

Please remind your students to be sure to charge and bring their netbooks each day. When SAGE testing begins loaner computers will not be available for classroom use. They will only be used for testing. It is very important that students bring their computer charged and ready every day.

Students will need a set of earphones for testing, please have them bring them to school this week. If you would like to purchase earphones from the school, they are $1.00. They can be purchased at the front office.

**From the PTA:**

BOX TOPS - Send in all your box tops!
