From the Administration:

Tuesday, May 31st is classroom and locker clean out day.

Wednesday, June 1st is field day at the track and field. The weather looks like it will be a nice sunny day. Please have your students wear sunscreen, bring a water bottle, and a lunch. They will be at the track and field all day. PTA will be selling concessions during field day. If students would like to bring money for concessions, they are welcome to. The pool will also be open, so if students would like to swim please bring their towels and suits.

Thursday, June 2nd Final Report cards will be sent home.

Friday, June 3rd is our last day. We will be having our end of year assembly. Lots of prizes will be drawn from the Mustang Bucks the students have been entering all year, students must be present to win. Yearbooks will be given out and signed that day too. We could be signing yearbooks outside, so wear sunscreen. Students will not need to bring their backpacks the last day of school. Students will be dismissed at 12:35 pm. If your student rides the bus they will be taking students home at 12:35 pm.

Parents, we have a lot of lost and found items, coats, jackets, and lunch boxes. If you have lost one of these things, please come and look in our cafeteria. We will donate all lost and found to a local charity after school ends.

Summer School begins June 13 - July 21, Monday - Thursday 9:00-12:00. We are accepting incoming Kinder - 6th. Kinder students only qualify if they are a current preschoolers this year. If you are in 6th grade currently, this program is not available for your student. The dual immersion summer program is integrated with summer school and students can register on the same application, however, only existing dual immersion students will be accepted into the summer program. Immunizations are required by all students, if they are not on file then parents need to provide them at the time of registration. More information about how to register for Summer School is on the District webpage.
