July 20, 2016

Timpanogos Parents,

We are looking forward to welcoming your student to Timpanogos Intermediate School for the 2016-2017 school year. As we begin to plan and prepare for the year we need to communicate the registration process, and relay some information to you regarding the start of next year.

This year Timpanogos Intermediate School on-line registration process will be open for any new students to the district on August 1st and for all other re-enrollment students on Tuesday, August 9th. There will be forms on line to complete for both new and returning students. You should be able to complete all paperwork and pay any donations on-line for your student. Our goal this year is that everyone has registered on line by Wednesday, August 17th. If you do not have a computer or internet access we will have computers available for registration in August at the school. We will be hosting two help nights for those with questions or who need help with on line registration on Wednesday, August 10th and Thursday August 11th from 1-7 pm. (the online process is very intuitive and most of you will not need to come on these days)

Timpanogos will also host Back to School Night on Monday, August 22nd for both 5th and 6th grade students from 4:00 pm to 7:30 pm. This will give our students the chance to see the building, meet their teachers, locate classrooms, rent music instruments, pay lunch accounts and determine bus routes all before school starts. Our PTA will also have volunteer sign-ups available. You will also be able to vote for your Community Council representatives. (We are looking for at least 3 parents willing to run for spots on Community Council. Please let me know if you are interested)

Students will be able get their new computers on August 16th at Rocky Mountain Middle School (800 West School House Way) from 8:00 am until 2:00 pm. They will also receive the approved backpack to carry their device and other school supplies. School starts Tuesday, August 23, 2015, please come with your laptop charged and ready to go. Picture day for all TIS students will be Thursday, August 25th. We are excited about these new changes coming to TIS and hope they will help streamline the registration process. If you have questions or concerns please contact us at (435) 654-0550.

We will be emailing and posting on our webpage more information as the start of school gets closer.
