

### Activity: Internet Safety

Watch the Internet Safety video on Jr.BrainPop.com. The link for the video:

<https://jr.brainpop.com/artsandtechnology/technology/internetsafety/>

After the video use the other resources on the website. This video should be shown whole class. The other resources can be done in small groups or whole class.

### Activity: Cyberbullying

Watch the Cyberbullying video on BrainPop.com. The link for the video:

<https://www.brainpop.com/technology/digitalcitizenship/cyberbullying/>

After the video use the resources on the website. This video should be shown whole class. The resources can be done in small groups or whole class.

### Digital Citizenship Week: Lesson with Ms. Evans

Ms. Evans will be presenting to each class during Library on digital citizenship.

Grade levels Pre, Kinder, 1<sup>st</sup>, & 2<sup>nd</sup> will be viewing one presentation and 3<sup>rd</sup>, 4<sup>th</sup>, & 5<sup>th</sup> will be viewing another. The presentations can be found on the Midway Elementary Website under Teacher Resources – Digital Citizenship. Presentations will cover only the basic of being a digital citizen and appropriate online behavior.

### Activity: Parent Brochure

Parent will receive a digital and paper copy of a brochure covering the activities used during Digital Citizenship Week. Brochure will also have extra activities and resources that can be used by parents to have conversations with their students about being a digital citizen. Parents are also welcome to access the Digital Citizenship resource on the Midway Elementary website.

### Activity: Digital Citizen Pledge

During the week students will pledge to be a digital citizen. Students will be able to sign their name on the school pledge poster. By signing the poster, students pledge to be a digital citizen at Midway Elementary and elsewhere. By pledging to be a digital citizen, students commit to take the lessons they have learned and apply the new knowledge while online either at school or at home.
