

# HIGHLANDER HAPPENINGS

Timpanogos Middle School

1/22/2019

## From Mr. McNaughtan and Ms. Mecham

We will be having a 3rd term activity. For students to attend this activity, they will need to have no more than one office referral, A, B, and C grades, and H and S in citizenship. Citizenship is tied to tardies. Tardies are the most common reason students are not able to attend. Please make sure your students are here on time and ready to go. Tardies can be made up by students attending a teachers consultatoin time on Mondays from 1:21-2:30. We want to start a new program where Parents and Students can submit positive comments about our teachers and staff. It is called TMS High Five. We would like to acknowledge and highlight what awesome things that are happening in the classroom. We have a link on our school webpage and below to link you to the [TMS High Five](#)

## PE Department Announcement

Dear Students and Parents,  
Starting Tuesday, January 22, 3rd term PE classes will be swimming for the next two weeks at the Aquatics Center. You will swim on the days you have PE except Mondays. We will be traveling by bus to the pool and doing pool activities while we are there.

You should come prepared to swim. Swimsuit, goggles, towel, etc. If you cannot swim very well you can stay where you can touch.

Each day that you swim is worth 100 points. Any student that does not participate will lose out on those points. They can make them up by going swimming for an hour, taking a picture, and sending it to us. If you have any questions, please email us.

Thanks, Jarend Hendry & Ashley Richins
