

## 2019-2020 Middle School Fees

All fees listed are the maximum amounts charged per pupil for each activity, class or athletics participation. Actual costs are determined by the local school and may vary. For school activities and athletics that require fees, tryouts must be concluded and the participants selected before fees are assessed. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule. For more information on fees and what they include, please visit the teacher website.

*\*Pursuant to Utah Code 53A-11-102.6 and Utah Administrative Rule R277-494-3, students who attend a charter school or home school and participate in extracurricular activities must pay a \$75 fee in addition to all related participation fees.*

*Fees, as identified by the Wasatch School Board of Education, will be waived in accordance with the Utah State Board of Education standards for students whose parents or legal guardians verify evidence of inability to pay. Inability to pay is defined as those who are in state custody, foster care, or receiving public assistance in the form of Aid for Dependent Children, Supplemental Security Income, or are eligible according to most current Income Eligibility Guidelines; and, that case-by-case determinations are made for those who do not qualify under one of the foregoing standards, but who, because of extenuating circumstances such as, but not limited to, exceptional financial burdens such as loss of substantial reduction of income or extraordinary medical expenses, are not reasonably capable of paying the fee. (The receipt of unemployment compensation and/or reduced price school lunch does not constitute public assistance as defined above.) Please note that costs for yearbooks, class rings, letter jackets, school pictures, and similar items which are not required for participation in a class or activity are not fees and will not be waived. Students may be required to pay fees for concurrent enrollment or advanced placement courses. The portion of the fees related specifically to college or post-secondary grades or credit is not subject to fee waiver.*
