

Don't Miss Out!

WHS Yearbook Senior Ads Due March 22, 2019

A senior ad in the yearbook is a perfect way to commemorate your student's high school experience. The number of pages available to purchase **IS LIMITED**, so it is vital to purchase your ad as soon as possible to reserve your space.

Pictures, Money and the Ad Form must be delivered to the office at the **SAME TIME!**

For the convenience of the yearbook staff and for the security of your property, please label all pictures with the name of the student appearing in the ad and place them in an envelope along with the requested information outlined in the order form.

You may pick up your pictures between May 20 and May 24, 2019. Pictures not picked up will be thrown out.

Pictures and information must be to the High School office by **March 22, 2019**

Things to Consider When Preparing Your Ad:

- All ads are black and white.
- Only digital photos of high resolution or actual prints are accepted.
- Cut or scrapbook page pictures will not be accepted.
- Too much text makes for a cluttered, illegible ad. No more than 200 characters.

If you need a visual to see a representation of what the senior ads this year could potentially look like, please ask a secretary for a book from last year.
