

PARENT OBSERVER WITHOUT THE APP

How to get started

Step 1

Generate a pairing code by logging into your student's account. Click on [1] Account and then [2] Settings. On the next screen, click on [3]"Pair with Observer" on the right side of your screen. Copy the case sensitive observer code.

Step 2

Go to <https://wasatch.instructure.com/login/canvas> and create an account by clicking [5] "Parent of a Canvas User? Click Here For an Account." Fill out the required information contained in the form and use the [6] pairing code from step 1. Click [7] "Start Participating."
