

Teacher Student Success Plan (TSSP)

Goal 1: Show growth of reading lexiles as measured by the Reading Inventory.

Academic Areas/ Subgroup(s) Targeted:

1. Students below grade level reading
 - a. Reading 1- 6th BR- 400, 7th BR- 460, 8th BR-490
 - b. Reading 2- 6th 400-475, 7th 460-575, 8th 490-605
 - a. Reading 3- 6th 480-800, 7th 580-900, 8th 610-950

Measurements: Reading Inventory measuring student reading lexiles

Action Plan Steps:

1. Improve teacher effectiveness as literacy teachers across the content areas.
 - a. Mandatory Teaching Tuesdays with focused teaching strategies using literacy as the model of training.
 - b. Focus on high yield teaching strategies i.e. Kagan structures, SIOP strategies, Specific Literacy strategies.
2. All students below the target grade level Lexile will be placed in a reading class.
 - a. Students that have been participating in reading intervention will be grouped with like skilled students.
 - b. Students new to the reading program will be grouped together.
3. ELL students will be required to receive both reading and language services.

Goal 2: Increase reading in the School

Measurements:

1. Students participating in reading clubs.
2. Increased Circulation in the media.

Action Plan Steps:

1. Purchase high interest books sets for both Language Arts classes and the Media Center
2. Offer grade level and specific reading/ book clubs targeting student groups and interests
3. Incentivize participation in Book Clubs with prizes and book giveaways

Goal 3: Decrease office referrals

Measurements:

1. Students being referred to the office

Action Plan Steps:

1. Positive Behavior incentives given out by teachers and staff to promote positive behavior.
2. End of term, middle of term incentives and End of year incentive programs ie prizes, field trips, and outings etc..

Goal4: Improve Student Proficiency

Measurements:

1. Measurement of Tier 1 effectiveness at 80% recorded by teachers in PLC
2. Identification of 4-6 Power Standards Guaranteed that 100% of students will pass

Action Plan Steps:

1. CFA's created
2. Data brought to PLC's
3. Tier 1 and intervention training
