

Registration for 2020-21

Many students have not been registered for this year. Registration is different than class selection and enrollment.

What does registration mean? Registration is reviewing your information (phone number, address and email), reading and signing out forms online. If you have not yet registered your child FOR THIS YEAR you will be receiving an email reminder each week to do so.

How to register (this will take about 20 minutes)

1. Login as a parent on SIS

<https://sisweb.wasatch.edu/Login.aspx>

- a. Don't have or forgot your Username? Click Request a Username.
 - b. Forgot your password? Click Forgot your password
2. Click the flagged note above your students picture on the right side(🚩Can register for Grade 6,7,8)
3. Once logged in click links (page names), review information, then accept or electronically sign at the bottom of each page.
