Principal McNaughtan's Message:

Happy Holidays!

The month of December is a fun month in education. Students are often a little more distracted when we have holiday activities, choir, orchestra and band performances. We also have great opportunities to serve our community. Classes have the chance to help through Sub for Santa, buying candy canes to raise money for various causes and in general looking to serve others.

As the month of December is short for school, we try to give as many learning opportunities for our students as possible. We appreciate all that you do to help us educate your children. Have a great December, enjoy the holidays and get your students great educational gifts.

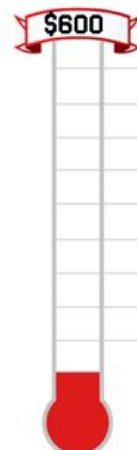

David McNaughtan
Principal Timpanogos Intermediate School

COUNSELOR'S CORNER:

November's Guidance Curriculum was focused on gratitude and manners. In classrooms we discussed why it is important to have manners, different manners and cultures around the world and the top manners we could work on in our school to make everyone feel respected. Some of the manners we discussed included saying "thank you", asking politely for things, manners with technology, and not interrupting others.

Also a heads up that Student Council will be selling peppermint candy canes as well as fruit flavored candy sticks at lunch time for .50 cents each. The sales run Dec. 8th through the 15th. All money will be going to Hershey Smiles and helping build hygiene kits.

As always, if you feel your child needs extra social or emotional supports please feel free to contact the counseling office. We love working with the wonderful students here at TIS.

Amy Watts

Counselor, Timpanogos Intermediate School
