**Mrs Discher:**

Talked about how it is going for the teachers and how they are doing with online school. The teachers are getting positive each day about how it is going, seems to get better as time goes on.

Talked about when the school year will end, Mrs Discher said that the school year would probably still go close up till the end of the year, but they are talking about possibly ending before Memorial day. Last week of school holding out hope, to possibly have each of the grades come in and do a parade and have it on separate days, wondering if it would work for families. The teachers will be doing a t-shirt for each of kids and PTA talked about sending teachers a link to give each student a book to end summer with.

Teachers will be sending out a postcard from each teacher to their students

Device turn in will happen probably week before Memorial Day – PTA possibly could hand out popsicles or otter pops

**Staff Appreciation:** Corine talked about choosing two or three restaurants and then email menu options to the staff and then the staff would come to the school to pick up their ordered lunch, distribute like they do school lunches. The staff could tell us what they want so that we wouldn't have a waste of food.

Have a few tables setup where they can come pick up lunch.

Deyce liked the idea of encouraging the kids to write a note for the teachers

Setting up a survey type of menu that Janet would send email out to get all the orders in.

Tell all the families that they could decorate a sign and bring it to the school and put it up for the staff and teachers

Send out an email a week before and put it in the newsletter and have families bring the signs to the school on May 2 or 3

There are digital versions of things that the students could do each day for the teachers, we could send a list of these things in email and on facebook and encourage kids to do something different each day to thank their teachers and staff.

Wednesday May 6<sup>th</sup> would be the day to have the lunches at the school

Ideas of restaurants - Kneaders, Café Rio, Wasatch Back, Spin Café, Lolas Kitchen, Global Grill

PTA to put up banners around the outside of the school thanking the staff and teachers.

**Moms and Muffins:**

Talked about doing some sort of muffin grab for when the kids come to school. Possibly doing mini muffins in a cup to each car Lee's might be able to pack them individually – May 12<sup>th</sup> for the date that the families could do a drive by

Options of doing individually wrapped suus cookies or cookies from Lee's could also be an option.

If this doesn't work out to where we can't make this work, we could send out a recipe for the families to do together.

**Book Fair:** Talked about doing the option of an online book fair, sending out a link for an online book fair by email and facebook  
The books would ship directly to the student's homes – Online Book Fair May 11 – May 25

**White Ribbon Week:** Decided not to do anything with this

**Field Day:** Send out a list of outside activities that kids could do at home – May 19<sup>th</sup> – Do a field day at home – If this is done on one single day, the teachers could help promote it and lessen the work load that day.

Physical activity scavenger hunt or a check off list that they could complete – in the backyard and within their home – they could submit scavenger hunt for a drawing to get prizes – Casadi will do some shopping for prizes that will be handing out from the school

**Newsletter:** Mailing out an actual paper copy of newsletter and sending it to each student – get it out the last week of April  
And outline everything that will be happening during the month of May – send out newsletter April 27-28

**Year end SLC Conferences:** Scheduled now for the 26<sup>th</sup>-27<sup>th</sup> – but looks like they will move it a week before  
Will be handled through zoom – online meetings scheduled through sign up genius – No need for SLC Conference dinners at the end of the year.

Summer School – may look different but thinks it will still happen
