Treasury Report:

All the treasurers in the district had a meeting with the district. They discussed how to use Facebook for fundraising. Venmo was brought up but we are still unable to use it due to Utah PTA. The budget is looking good for the year.

District PTA Update

Jill and Casadi were able to participate in the District tour. They were able to see Heber Valley, Wasatch High School, Timpanogas Middle school. Heber valley has started a STEM program this year. The PTA would love to bring STEM to OME.

Principal Discher

Stephanie is planning on the same movie Christmas party as last year. PTA will do popcorn. Christmas vouchers for holiday books are in the teacher's box. The books take 2-3 weeks to get here so the teachers need to get them ordered.

Staff Appreciation Update: The PTA does a lot to give back to the teachers each year. We need to decide what to do for Christmas this year. We will be sending out teacher favorite things lists. Classroom budget is something teachers really appreciate. Jill and Elizabeth will look at the budget to see what we can do for teacher appreciation.

Event Wrap up – Bonnie Hagen: Reflections wrap up. 40 children participated in Reflections. Judging is all done, awards are being ordered today. November 29th will be the awards for reflections. 6:00-6:30 open house. 6:30-7:15 awards, and then refreshments.

Red Ribbon week was received as simple yet fun.

Custodial appreciation was well received.

Pizza Party box top: More pizza was needed. Lesson learned for next time.

Vision screening went well

Dads/Donuts: The committee ordered 1200 donuts and are planning on getting 200 more. Last year 1100 were ordered and they had to go back and get more. The committee is also buying oranges. Everyone will meet at 6:30am to set up.

Future Events: SLC's will be Jan 23-24. We will do the book fair during the same week. BOGO bookfair will be April 15-19 coinciding with Mom's and muffins on April 16th.

Meeting adjourned at 11:10 AM
