Reminders

1. Do not park in a drop off or pick up zone.
2. Pull forward as far as possible so that traffic will flow.
3. Please follow the directions of the teachers on duty. They are working hard to ensure that all students are safe.
4. Please remember that you will not be able to turn onto second south by the front of the school.
5. Please avoid dropping students off in the adjoining neighborhoods. This is a school safety concern as well as a "good neighbor" problem, as it causes congestion issues for our neighbors.
