

Vocational Rehabilitation helps eligible individuals with disabilities, to prepare for, obtain or maintain employment and achieve independence.

OUR MISSION To assist eligible individuals with disabilities to prepare for and obtain employment and increase their independence.

OUR VISION We envision a community which provides the highest quality services and empowers clients and staff in an environment of teamwork that results in rewarding employment, independence, and self-fulfillment.

OUR VALUES: Respect, Kindness, Dignity, Diversity, Trust, Integrity

OUR SERVICES

Diagnostic and Evaluation

Medical, psychological, and other examinations and tests are used to understand a client's disability and needs.

Restoration

Medical and psychological services, including treatment and equipment, ensures your disability is stable.

Assistive Technology

VR may help you obtain equipment that provides great functioning and independence in home, education or work environments.

Additional Services

Supporting your success may include interpreters, readers, transportation, licenses, fees, tools or equipment.

Counseling and Guidance

Vocational counseling helps clients understand their potential, set realistic goals, develop successful work skills, and begin a satisfying career.

Job Placement

Job development, counseling, coaching, customized employment, self-employment assistance or on-the-job training are services that may be offered.

Training

Basic academic, vocational/technical, college, supported employment, independent living skills, work adjustment and work-based training may be needed.
